NRA was also recently named to the INC 5000 for 2008 as one of America's fastest growing companies, an honor it also received in 2007. The NRA Group has received recognition for its unprecedented growth, quality service and community caring programs.

National Recovery Agency is the only ACA - PPMS Certified agency in Pennsylvania. It is also certified for PCI-DSS, SAS 70 and is a BBB Accredited Business. The Leadership of NRA has created an organization that has developed Centers of Excellence in compliance, technology and training. The strategic corporate plan that is guided by its VISION 2012 has been the focal point of success for the collection agency.

NRA is moving forward to increasing its capacity to 750 available seats for its call centers. To learn more about NRA, please visit NRA's website at [www.nationalrecovery.com](http://www.nationalrecovery.com)
